

# Desperado

He was a des-per- a- do from the wild and wool-ly west, He came in- to the

ci- ty just to give the west a rest; He wore a big som- bre- ro and a gun be- neath his

vest, And ev- 'ry- where he went he gave his war- whoop! He was a brave bold man and a

des- per- a- do, From Crip- ple Creek way down in Col- o- ra- do, And he walked a-

round like a big tor- na- do, And ev- 'ry- where he went he gave his war- whoop!
